

Design description

give these specs to your designer

- 1) JPG & PNG only files supported
- 2) specs say use digital(vector rather than Photos for printing on T shirts
but I Prefer look of Royalty free photos rather than design when possible
- 3) recommended size= 4500 x 5100 pixels
- 4) Minimum Resolution Size Of 4,200 Pixels
- 5) max resolution 2300 x 2300 pixels
- 6) use Photopea software to remove background to transparent & revert back to Canva
- 7) use mock up generator In Printify to make sure your design fits all sizes he photo below
- 8) we will do jerseys (not shirts) for better quality(thinner than t shirts but ink stays on top)

design # 13 banister

- use higher resolution with similar photo

design # 14 Brendan Behan & Gleason

- use better resolution for printing

**Brendan Behan & Jackie Gleason
on a New York Pub Crawl**

**“New York is my Lourdes, Pilgrimage
— -A place where you’re least likely
to be bitten by a wild goat.”**

Design our logo

■ **we would like to see 3 logo designs using the leprechauns below**

- logo would be our domain name FunnyTShirts"R"Us
- with graphics similar to toys R us plus an image of a smiling leprechaun as the icon part of the logo
- Use thick letters for name so it will show up & be readable when printed on a t shirt

logo # 1: leprechaun holding name of Company

logo # 2: leprechaun pointing to name of Company

logo # 3: Leprechaun holds name with thumb Funny T Shirts
